7. What's new at Routhier
 - a) School Start-Melissa received email from school start inquiring about renewing the contract for ordering school supplies. Most parents present were in favor, Melissa mentioned that it would be in the student and parents best interest to have supplies delivered at home and not at school

due to supplies being handed out on 1st day of school and it was over whelming for staff and students.

Aimee Anderson was contacted via phone and she was willing to spear head the program again this year.

b) Arts and science Fair: there were 31 participants(k-3 had good representation but parents were wanting judging, students didn't receive anything; 4-6 had good representation on the arts side but not much for science). Comments in regards to next year would be that it be held 2 weeks after spring break to allow for more time to prepare. Jacquie expressed thanks to Vanier for the tables and help with set up for the event.

c)Mrs. Benoit updated on other events: Melanie Blanchette and Kristen Morin are doing their student education practicum and providing a volleyball program for the students after school. Lifetouch group pictures were successful, there was a new manager and he has regained the schools trust in the program. Appreciation lunch for staff by parents was greatly appreciated by staff. Partnerships with Ecole Heritage for Delph exams. Mme Schaefer will be going on maternity leave at the end of this week and Angela Gauthier-Laurin will be replacing her. School is also in discussion with Town re: swimming lessons.

GPVanier has \$581.40 with no outstanding expenses. Routhier treasurer not present and didn't forward report for meeting.
