

Legacy Hours Opportunity

Do you like Halloween?

The Junior Forest Wardens are looking for some volunteers to set up, decorate, and 'perform' in a 'haunted walk' in McLennan, on October 31. They are looking for 5-7 students, starting next week (September 21) to begin decorating an outdoor trail.

There will also be an opportunity to earn hours on Halloween to scare people attending the event!

More hours will be available on November 1, to assist with clean-up.

Please contact Shannon Soucy at 780-446-9253 for more information or to sign up to help (call or text).

Reminder that if you are planning to volunteer for this event, Legacy Hours forms need to be completed prior to starting
